America's Best Real Estate Professionals – Stephanie Robinson Ranks #1 in Alabama

Location: Birmingham, AL

In partnership with the *Wall Street Journal*, REAL Trends, the trusted source in residential brokerage based in Castle Rock, Colorado, released the REAL Trends America's Best Real Estate Professionals list on Tuesday, July 9, 2019. The rankings show the top sales professionals in the United States by sales volume and transaction sides.

Stephanie Robinson of RealtySouth is among the top-half of 1% of the 1.4 million licensed real estate professionals in the United States. Out of approximately 20,800 agents in Alabama, Stephanie ranks as Alabama's number one individual by volume and ranks number 35 individual by sides.

“Stephanie holds such high standards for herself, and it shows. We are all so very proud of her achievements. She is special in so many ways, as she is always willing to help her fellow agents,” boasts Jan Camp, the Broker of the RealtySouth Mountain Brook Village branch.

“America's Best list honors the finest real estate agents across the United States. Stephanie's unrivaled loyalty to her clients and commitment to help the community prosper right here in Alabama, are at her core. She defines first-class. We are thrilled about her deserved success, and we are honored to have her call RealtySouth home,” shares Richard Grimes, President and CEO, RealtySouth.
