## **RealtySouth Awarded as A+ Supplier Partner**

**Birmingham, AL** – November 30, 2020 – RealtySouth Relocation Services receives A+ Supplier Service Rating from SIRVA, a top three relocation management company that specializes in global workforce mobility. The award was presented on Wednesday, November 18<sup>th</sup> at SIRVA's 2020 Supplier Summit.

An A+ rating is awarded to real estate brokerages in the top 10% in all performance categories. Ratings are collected by employees and family units being relocated, the organizations paying for relocation benefits as well as SIRVA employees.

Relocating employees is a long-term investment that isn't to be taken lightly. These relocations, depending on the benefit packages offered can cost upwards of \$85,000 plus. RealtySouth Relocation takes that seriously.

RealtySouth Relocation has been supporting organizations of all sizes with employee relocation needs for more than 60 years. Our entire team, including our relocation department, the real estate professionals in the field and leadership group understands the importance and is committed to delivering service excellence.

"This is truly an honor and is a goal we strive to meet every single day; with every organization we assist. We want to ensure daily that we are not just meeting but surpassing what each company expects of us," said RealtySouth Relocation Services Director, Jonathan Cohen.

RealtySouth Relocation isn't just about service, year after year we also have demonstrated the ability to control costs which is an important factor for organizations relocating employees. YTD in 2020 we have supported more than 100 companies relocating employees into Alabama, from 31 different states.

We want organizations to ask for our help because they know we are the best and care the most about service, not our bottom line. Having 21 offices, more than 850 Agents including 120 that are relocation trained and background checked, across the state helps us meet and exceed organizational requirements.

While Covid-19 has changed the way we do business at times, it hasn't changed the fact that organizations continue to relocate their workforce. RealtySouth Relocation continues to be present, strong and ready to assist. They are exceeding 2019 numbers in most categories and are poised to end 2020 in record fashion.
